<https://sproutsocial.com/insights/best-times-to-post-on-social-media/>
- FREE guide to 20 content ideas:
<https://sproutsocial.com/insights/social-media-ideas/>

Market Research Resources:

- YOUR current social media following! Ask your followers what they know/how they feel about real estate/realtors. Gather people's pain points & find ways to address/solve them, then incorporate that into your marketing strategy scripts.

- Measure your digital identity (analyzes online presence, grades you out of 100, & gives recommendations):

<https://www.realgrader.com/homepage>

- Review platform for happy customers to rave about you:

<https://www.ratemyagent.com/>

- How to know what keywords to use/what keywords competitors are using:

<http://www.keywordspy.com/>

<https://www.spyfu.com/>

- Amazon Book Reviews: Look at what people are saying about the Millionaire Real Estate Agent Book by Gary Keller, or MREI by Gary Keller.

- Open Forum Discussion Platform, where you can ask questions (about real estate, realtors, local markets, etc..) & get responses:

Reddit.com

- Gauge your competition's websites using:

<https://builtwith.com/>

- Trend Research:

<https://answersocrates.com/>

- Promotional Materials:

<https://crestline.com/c/calendar-of-events>

Marketing Resources:

- Free QR code generator:
<https://www.qrcode-monkey.com/>
- Digital Business Card:
<https://dash.blinq.me/onboarding/personal-details>
(Blinq is also an app!!! It uses a QR code to give people your info)
- FREE Custom Email Signature Generator:
<https://www.hubspot.com/email-signature-generator>
- Advertise on Google with:
<https://ads.google.com>
- OR a place with even higher click-through rates (30% higher than google):
<https://ads.microsoft.com/>
- Sphere of Influence targeted ads (give them your database & they run hyper-targeted ads to those people):
<https://adwerx.com/>
- SEO Academy, teaching you how to get to the top of Google's/Yahoo's/Bing's/etc... search pages organically (SEO = Search Engine Optimization):
<https://yoast.com/>
- Make sure you're a recognized business on Google:
<https://www.google.com/business/>
- YOUR KW PROVIDED WEBSITE: usually your firstnamelastname.kw.com. Example: savannahgodbold.kw.com (that acts like a Zillow, showing people MLS data) & if you have other branding ideas: CREATE A LANDING PAGE OF SOME KIND. Either on a social media platform or using one of these landing page providers: *Reel Geeks*, *BoldLeads*, *InCom*, *Placester*, *BrandCo*.
- FREE Resume builder: <https://resume.io/>
<https://www.resumemaker.online/>
- Remove items from images for FREE:
<https://www.magiceraser.io/>
- 95+ FREE online SEO (Search Engine Optimization) tools:
<https://www.prepostseo.com/>
- Search Engine that does NOT collect your data:
<https://duckduckgo.com/>
- FREE Logo generator:
<https://looka.com/>
- SEO Keyword Insight Platform, keyword suggestions, content ideas, & more:
<https://neilpatel.com/ubersuggest/>
- Marketing Campaign Examples:
<https://marketingexamples.com/>
- SEO Tools & Resources (PAID, not free):
<https://ahrefs.com/>

Miscellaneous Resources:

- Test how fast your internet is:
<https://www.fast.com/>
- Identify a Font using a picture:
<https://www.myfonts.com/pages/whatthefont>
- Find similar sites to ones you like:
<https://www.similarsites.com/>
- Reverse Search Images:
<https://www.tineye.com/>
- Project Management Platform:
<https://www.trello.com/>
<https://clickup.com/>
- Furniture Manufacturers of big brand names (like World Market):
<https://www.spoken.io/>
